

**Do you want your business to level up and become unbeatable?  
Then you'll be excited about this!**

**Commercial Fire** is now launching the new Affiliate Scoreboard. This new tool offers real-time updates, which will be available to you 24/7 via our **CF Connect Portal**. And it will feature your Commercial Fire Work Order performance, giving you the visibility to increase your efficiency, revenue, and cash flow. Highlights include:

- Categories of Service
- Average Days from Completion to Paperwork Submission
- Total Amount of Work Orders Paid Quickly Via Our QuickPay Benefit
- On-Time Work Order Completion Rate
- IVR Usage
- Mobile App Usage
- AFX Usage
- CF Connection Work Order Submission Rates
- Average Days from Work Order Start Date to Work Order Completion Date

This exciting new tool will allow you to better identify your company's strategic objectives, create a strategy for growing your business, outline the measures your team members should take to work more effectively, and earn you more revenue.
